I. Introduction

The Student Organization Conduct Code (further referred to as “Code”) emphasizes Florida State University’s (further referred to as “University”) commitment to a campus community which exercises the responsible engagement of student freedoms. The pursuit of responsible freedom is consistent with the tenets of the Seminole Creed and efforts to promote civility at the University, as students balance their pursuit of excellence and exploration with consideration to the impact of behavior on themselves and others.

The University is proud of the plethora of student organizations thriving on campus. Student organizations play a key role in the campus culture at the University and are valuable in upholding the values of the University. Student organizations are the backbone of student engagement at the University. Students can select academic, social, service, honorary, sports clubs, political, religious and

many other organizations to connect with during their time at the University. Student organizations at the University are actively involved in leading, supporting, and serving the University community. Student organizations foster interpersonal relationships, explore educational opportunities, develop professional skills, and enhance academic experiences. Student organizations provide students spaces to develop skills for life after graduation as active citizens.

The Student Conduct Authority at the University embraces the University's commitment to an educational experience that provides students with an understanding of the complex moral issues inherent in human life. The *Student Code of Conduct* and *Student Organization Code of Conduct* reemphasize the dignity and worth of each person and substantiates the need for an inclusive environment to support the betterment of all persons associated with the University. "The University is a compassionate community. In its treatment of students, it recognizes the wisdom both of letting students experience the consequences of their actions and of providing the opportunity to learn and grow in ways that can overcome past difficulties" (*General Bulletin*, Florida State University, 2016).

The University fully recognizes and values the right of all students and individuals to seek knowledge, debate ideas, form opinions, and freely express views in accordance with the expectations set forth in this Code. This right must be exercised in a manner which will not interfere with the same rights and freedoms of others in their enjoyment of the benefits of the programs offered by this University, or their lawful use of University facilities, including ingress and egress (for more information, see the University's Freedom of Expression Rights and Responsibilities regulation). Additional expectations for student organizations are outlined in University rules, regulations, and/or policies.

The student conduct process is designed to be educational in nature and promotes the University's mission. Being a member of the University community is a privilege, and the conduct process will determine if a student organization's conduct warrants modification of or restriction upon that privilege.

II. Definitions

Terms specific to conduct prohibited by the *Sex Discrimination and Sexual Misconduct* policy (FSU Policy 2-2) are defined in Appendix D: Definitions and accessible at <https://regulations.fsu.edu/policies/office-president>

A. **Advisor.** The term "advisor" means any one person chosen by an affected/reporting individual, student organization representative, or witness to provide guidance throughout the student organization conduct process. Examples of advisors include, but are not limited to organization advisors, alumni, organization staff, law students affiliated with a Student Government Association-sponsored program, University faculty, staff, or administrators, and attorneys. Individuals are highly encouraged to select an advisor with reasonable availability.

B. **Alternative Resolution.** If deemed appropriate by the University, affected/reporting individuals, and the responding student organization may agree to forego a student organization conduct process in favor of reaching a mutually agreed upon resolution. The University adopts the resolution of the Alternative Resolution process in lieu of adjudicating the case, and failure to adhere to the agreed-upon resolution by any individual or the student organization may result in further student organization conduct action.

C. **Day.** The term "day" refers to any weekday Monday through Friday in which the University is in operation. This includes days when the University is in operation but classes are not in session.

D. **Hearing.** The term "hearing" means an informal or formal proceeding, conducted by a hearing body in accordance with the Code, following which determinations of "responsible" or "not

responsible” are made with regard to alleged Code violations and outcomes are assigned as appropriate.

I. **Policy.** The term “policy” means the written statements governing the University as found in, but not limited to, the State of Florida Board of Governors regulations, the University’s Board of Trustees regulations, policies adopted by the President or Vice Presidents, the *Student Organization Conduct Code*, the *Undergraduate General Bulletin*, the *Graduate Bulletin*, the *Student Policy Handbook*, the *Registration Guide*, the *Guide to Residence Living*, the *Sex Discrimination and Sexual Misconduct* policy, and other written requirements of departments and other written requirements of departments, organizations, and clubs.

J. **Preponderance of the Information.** “Preponderance of the information” is the standard of evidence upon which a determination of “responsible” or “not responsible” is made, and is used in adjudicating all student organization cases under this Code. III. **Authority**

- A. Authority for student organization conduct ultimately rests with the Florida State University Board of Trustees which has delegated such authority to the President of Florida State University (hereinafter “President”). The Vice President delegates this authority to the Dean of Students and the Director of the Office of Student Rights and Responsibilities.
- B. The President, Vice President, and Dean of Students have the authority to designate individuals internal and external to the University as hearing or appellate officers when appropriate.
- C. All hearing bodies have the authority to consult with other appropriate University officials in order to effectively resolve a Student Organization conduct case.

- D. The hearing decision or recommendation of a hearing body is considered a hearing decision. If a hearing decision is not appealed as provided within the Code, the hearing decision becomes final agency action.
- E. The authority of appellate officers is further enumerated in the Code section on "Appeal Procedures." Appellate decisions are considered recommendations to the Vice and become final agency action upon approval by the Vice President.
- F. Any reference in the Code to the role or responsibilities of a specific University official may be delegated by the University official to an appropriate designee.

IV. Scope

Florida State University may address the alleged misconduct of any Student Organization as specified in Section VII. "Violations of Expectations" of this Code pursuant to the following:

- A. In any proceeding to determine whether a student organization has violated the Code, the University will apply the substantive code provisions defining conduct violations that are in effect on the date the alleged conduct occurred. The University will apply the procedural standards outlined in section VI. "Procedural Standards", that are in effect at the time the student organization is provided notice of allegation(s), regardless of the date of the alleged violation.
- B. The Code will apply to student organization conduct that occurs on University premises, at University-sponsored activities and off-campus as determined by the Student Conduct Authority. Factors that will be considered when determining whether to address off campus conduct include, but are not limited to, whether the incident is documented by a verifiable source, adversely affects the University community, occurs at a University-affiliated event, or endangers the health or safety of a student or others.
- C. The Code applies to the University as defined in this Code. Non-substantive procedural modifications that reflect the particular circumstances of each campus or international program are permitted as approved by the Student Conduct Authority.
- D. Student Organization conduct proceedings may be initiated for alleged conduct that potentially violates both law and University policy without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under these procedural standards may be carried out prior to, concurrently with, or following civil or criminal proceedings at the discretion of the Student Conduct Authority. Determinations made or outcomes imposed will not be subject to change because criminal charges or civil complaints arising out of the same facts giving rise to violation(s) of University policy were dismissed, reduced, or resolved in favor of an individual or student organization.
- E. The University may adopt the finding of fact in a criminal or civil proceeding with a similar or higher standard of proof and conduct an outcomes-only proceeding if appropriate.
- F. The University has up to 180 calendar days to resolve an alleged violation(s) of the Code with a responding student organization upon receipt of a report of a possible violation that includes enough substantive information to conduct an investigation by the Student Conduct Authority or upon receipt of an investigation report from the Title IX Office. However, the University has discretion to extend this time period if deemed necessary to perform a thorough investigation, preserve fundamental due process, or due to other extraordinary circumstances.
- G. Student Organization decisions and outcomes may be published by the University.
- H. The University may restrict a student's or student members of a student organization's contact with specified individuals when determined appropriate based on the facts or information and circumstances of each unique incident. The Student Conduct Authority can

administratively issue such restrictions to any individuals involved in a conflict or incident, regardless of whether a determination of alleged violations has been made. Such restrictions are valid and enforceable only with respect to individuals who are students at the University.

- I. The University may determine what University personnel have an educational need-to-know regarding the status and/or outcome of student organization conduct processes and to provide notice to relevant University personnel as determined by the Student Conduct Authority.

V. Amnesty.

- A. An element of promoting safety is providing clear, responsible methods of reporting and addressing incidents of misconduct. Therefore, in order to remove potential barriers to reporting, the Student Conduct Authority may in its discretion, not charge an affected/reporting student with a violation for conduct originating from the same incident if reported by that student in good faith to a University official, or otherwise discovered in investigation.
- B. The University's highest priority is the physical and mental health and safety of students and members of the University community. Therefore, no student seeking assistance for themselves or others as a result of a hazing incident, intoxication, or medical emergency from alcohol or other drugs will be charged with violation of the alcohol, controlled substances, and illegal drug or hazing provisions of this Code if:
 1. That student calls local or University law enforcement or medical assistance;
 2. That student cooperates fully with University, law enforcement, and medical personnel, as applicable; and
 3. That student remains at the scene with the person in need until assistance has arrived.
- C. Amnesty provisions may extend beyond individual students to a student organization at the discretion of the Student Conduct Authority.

VI. Amendments

This Code will be reviewed in its entirety every two years. Any substantive changes will be reviewed by the Vice President and presented to the Board of Trustees for approval. Any amendments can be proposed by University community members for review by submitting to the Vice President for Student Affairs.

VII. Student Organization Responsibility

A Student Organization may be held responsible for the actions of those affiliated with the organization, including but not limited to: one or more of its members (active or inactive), new members, former members, alumni, guests, contractors, and agents if action on behalf of, in the interest of, or as affiliates of the student organization. Every Student Organization has the duty to take all reasonable steps to prevent violations of University regulations and state laws growing out of or related to the activities of the Student Organization. Each Student Organization is expected to educate its members regarding their risk management policy and all applicable University policies and state laws.

- A. In determining whether a Student Organization may be held collectively responsible for the individual actions of its members, guests, contractors, and/or agents, all of the available factors and circumstances surrounding the specific incident will be reviewed and evaluated. There is no minimum number of student organization members who must be involved in an incident to determine group responsibility. A Student Organization may be subject review

under the provisions of this Code for activities not sponsored by the Student Organization where persons present or responsible for the activity are members or guests of members of the Student Organization.

- B. Misconduct on the part of the Student Organization may be addressed when factors including, but not limited to the following are found:
1. Members of the Student Organization (active or inactive), new members, alumni, former members, agents, contractors, or guests act together to violate the *Student Conduct Code* or *Student Organization Conduct Code*; or

 4. An event or conduct in violation of the *Student Conduct Code* or the *Student Organization Conduct Code* occurred on premises and/or transportation owned, operated, controlled, or rented by the Student Organization; or
 5. A pattern of individual violation(s) occurred and/or continues to occur without adequate control, response, or discipline on the part of the Student Organization or its leaders; or
 6. The Student Organization or members interfere with the investigation or conduct proceedings of any individuals who are members (active or inactive), new members, alumni, former members, agents, contractors, guests, of the Student Organization.
- C. Other Student Organization Privileges and Expectations
1. There are many privileges and expectations associated with being a Recognized Student Organization (RSO) at Florida State University. Refer to Student Activities regarding the privileges afforded RSO's on campus and refer to the RSO Handbook for expectations of an RSO.

VIII. Violations

Each Student Organization is expected to abide by these rules of conduct and to be accountable for the behavior of student organization members. Lack of familiarity with University policy is not a justification for violating any provision of this Code. Unless specifically noted, intent is not a required element to establish a Code violation. Intoxication or impairment from alcohol, drugs, or other substances is not a justification for violating any provision of this Code. These rules of conduct should be read broadly and are not designed to define prohibited acts in exhaustive terms.

- b. Theft, defined as removing or using the property or services of another person, off-campus entity, or of the University, with the intent to permanently deprive the person, off-campus entity, or University of the property or services.
- c. Misappropriation, defined as temporarily removing or using the property or services of another person, off-campus entity, or the University, but without the intent to permanently deprive the person, off-campus entity, or the University of the property or services.
- d. Receipt, possession, sale, or purchase of property or services that are known or reasonably should have been known to have been stolen or obtained through unlawful means.
- e. Entering or using the property or facilities of the University, off-campus entity, or another person without the proper consent or authorization.

I. Other Violations

- 1. Student Organizations will not engage in, tolerate, or condone the violation of; or the aiding, abetting, furthering, conspiring, soliciting, inciting, or attempting to commit any of the following:
 - a. Violation of Federal or State law, local ordinance, or laws of other national jurisdictions.
 - b. Violation of any Florida Board of Governors Regulation.
 - c. Violation of any other University regulation or policy as defined in section II. Definitions, J. Policy in this Code.
 - d. Violation of the Academic Honor Policy when the student is not currently enrolled in the related course or when the incident cannot otherwise be processed under the Academic Honor Policy. Refer to the Academic Honor Policy for violations and descriptions.
 - e. Violation of policy of local or (inter)national governing entities including but not limited to member councils and (inter)national organizations.

IX. Procedural Standards

A. Advisors

- 1. An advisor may not participate directly in any proceedings or speak on behalf of the responding student organization, affected/reporting individual, or witness.
- 2. Consultation with an advisor during a meeting, proceeding or hearing must take place in a manner that is not disruptive.
- 3. Identity of an advisor is required to be reported to the Student Conduct Authority at least three business days prior to a meeting, proceeding, or hearing.
- 4. Advisors may not be individuals who serve other roles in the process as outlined in this Code (i.e. hearing administrator, witness, etc.), or if service in an advisory capacity would unreasonably conflict with the fair administration of the student conduct process as determined by the appropriate Student Conduct Authority.
- 5. The University is not responsible for selecting or compensating an advisor for any student organization navigating the student conduct process.
- 6. The availability of an advisor to attend a student conduct meeting, proceeding, or hearing will not unreasonably interfere with or delay the student organization conduct process.
- 7. Once a meeting, proceeding, or hearing has been scheduled it will rarely be rescheduled due to later unavailability of an advisor.

8. A representative from the University's Office of the General Counsel may also be present at any meeting, proceeding, or hearing.

B. Reports

1. Anyone may file a report with the University alleging that a student organization has violated the Code. Any report should be submitted as soon as possible after the incident takes place, preferably within 60 calendar days. When there is significant delay, the Student Conduct Authority's ability to resolve an incident may be difficult due to access to reliable information and witnesses. Therefore, the Student Conduct Authority has discretion whether or not to pursue resolution of a report and will only pursue a significantly delayed report when the conduct or responding student organization are deemed to pose a potential threat to the health or safety of an individual or the University community, or other exceptional circumstances.
2. The Office of Student Rights and Responsibilities also may receive reports or information on the disposition of criminal cases from the FSU Police Department, Tallahassee Police Department, Leon County Sheriff's Office, Division of Alcoholic Beverages and Tobacco, other law enforcement agency, or any municipal, state, or federal court.
3. Reports may be accepted through alternate reporting mechanisms at the discretion of the Student Conduct Authority including but not limited to written or verbal communication, published information, or referral from another University department.
4. For reports alleging sex discrimination or sexual misconduct, the reporting process can be found in the Sex Discrimination and Sexual Misconduct policy. If a report alleges sexual misconduct and is reported via report.fsu.edu, the Student Conduct Authority will report the matter to the appropriate Title IX Office authority, in accordance with the University's Sex Discrimination and Sexual Misconduct Policy. The Title IX office will evaluate the report pursuant to the policy before it will be referred to the Office of Student Rights and Responsibilities to review for possible violations of this Code.

C. Review and Investigation

5. All reported information will be reviewed by an appropriate Student Conduct Authority to determine appropriate next steps.
6. Interim Health or Safety Actions may be issued pursuant to section "F. Outcomes, 1. Interim Health and Safety Action" herein.
7. Investigation
 - a. Upon receipt of a report, except for reports that are referred to the Title IX Office, a prompt, thorough, and impartial investigation may be conducted by the Assistant Dean of Investigations or FSUPD if further information is required to determine appropriate resolution by the Student Conduct Authority.
 - b. Investigations will include a review of the submitted report, and other additional information, such as that gathered from investigation meetings with involved individuals or groups. Any involved individuals or groups will be interviewed and asked to share information they have regarding the incident including documents (text messages, emails, photos, etc.) and identification of any additional witnesses who may provide direct information regarding the incident.
 - c. Students and student organization representatives may be accompanied by an advisor of their choice. Individuals are highly encouraged to participate in the process in order to allow for as thorough an investigation as possible; however an individual may decline to participate in the investigation process.

- d. At the conclusion of an investigation, the Assistant Dean of Investigations will produce an investigation report and forward to the Student Conduct Authority for determination for next steps including, but not limited to, no action, issuance of an admonishment, referral to another department, governing body, or national organization, or an information session to determine resolution of the allegation of misconduct.
- D. Notice of Alleged Violations
 - 8. Absent exigent circumstances, the Student Conduct Authority will notify a responding student organization of any alleged Code violation(s) within five business days after receiving all appropriate information.
 - 9. Written notice given to any reporting individual(s) or responding student organizations will include:
 - a. Sufficient detail to allow a student organization representative to prepare a response (including source of information, description of the alleged behavior(s), and specific alleged Code violation(s)); and
 - b. The date, time, and location of an information session, during which the affected/reporting individual or responding student may view all materials related to the case, receive instruction regarding the student conduct process and the student's rights, and discuss the type of resolution process to be utilized.
 - c. Notice that a student organization representative may waive the information session and advance directly to a formal hearing process by submitting notification in writing within two business days after the sending of the notice of alleged violation(s).
- E. Information Session
 - 10. During the information session the affected/reporting individual or responding student organization representative may view all materials related to the case, review procedural standards, and discuss options for resolution, which include alternative resolution, informal resolution, informal hearing, formal hearing, or an outcomes-only hearing.
 - 11. The Student Conduct Authority will determine what resolution process is appropriate after considering the expressed preferences of any reporting individual(s) (if applicable) and responding student organization representative(s), and the totality of the circumstances.
 - a. An alternative resolution process will only be considered if both a reporting individual (if applicable) and responding student mutually agree.
 - b. If a responding student organization representative elects either an informal resolution or informal hearing and the Student Conduct Authority deems an informal resolution to be appropriate, the administrator conducting the information session may immediately facilitate an informal resolution process or conduct the informal hearing as the hearing administrator, or schedule the informal hearing or informal resolution process to take place within a reasonable time. In cases involving an affected/reporting individual, the hearing administrator will gather the necessary information and conclude the informal resolution or hearing within a reasonable time.

- c. A formal hearing process will be utilized if elected by the responding student organization representative or if determined by the Student Conduct Authority to be the appropriate resolution process based on the totality of the circumstances of the case. If selected, a single hearing administrator is the only option for a formal hearing if the incident alleges violations of the Sex Discrimination and Sexual Misconduct policy.
 - d. An outcomes-only hearing may be utilized when a student organization has been found at fault in civil court with a preponderance of the evidence or higher standard at the discretion of the Student Conduct Authority.
12. When a responding student organization has two or more outstanding incidents, those incidents may be heard as a single case at the discretion of the Student Conduct Authority.

F. Resolutions

1. Alternative Resolution

- a. Alternative resolution is a voluntary process that allows the responding student organization to accept responsibility for a violation of expectations. The alternative resolution process is designed to eliminate the behavior, prevent its recurrence, and remedy its effects in a manner that meets the needs of the affected/reporting individual or entity while maintaining the safety of the campus community. The alternative resolution process will only be used with the agreement of both the affected/reporting individual or entity and responding student organization and under the direction of the Student Conduct Authority, who may elect to cease the resolution process at any time and revert to an investigation, hearing, or other resolution. Please note that the affected/reporting individual or entity may be a University Official, or a University Official representing a University department.
- b. The alternative resolution options available under this Code recognize:
 - i. Participation in this process is voluntary and either the affected/reporting individual or responding student organization representative can choose to end the process at any time prior to signing a resolution agreement.
 - ii. Both the affected/reporting individual and responding student organization representative must participate in individual information sessions with appropriate staff to learn more about the resolution process prior to participating.
 - iii. The process is only intended to be used once by a responding student organization, and may not be considered if a responding student organization has previously been alleged to have violated the Code within a three year period. Further, the resolution process will not be considered for any incident that alleges any of the following: violence against a member of a vulnerable population, such as a minor or individual with a developmental disability; the use of a weapon; significant physical injury; that there are multiple alleged perpetrators of violence; or that there has been alleged violence against multiple individuals.
 - iv. If the affected/reporting individual and responding student organization representative mutually agree to participate in an

alternative resolution process, they must agree to follow a timeline to be established in the information session for meeting schedules and response deadlines. An agreement resolution must be reached within 30 calendar days from agreement to proceed with the alternative resolution process. The University reserves the right to adjust established timelines if necessary to accommodate for limited staffing resources or other unforeseen circumstances.

- v. The affected/reporting individual and responding student organization representative must agree to all terms established upon agreeing to engage in alternative resolution, or the case will be resolved through an investigation or other resolution process pursuant to the Code.
 - vi. The responding student organization may be charged with a violation of the Code for failure to adhere to the requirements laid out in the resolution agreement.
 - vii. Resolution agreements that are finalized through the alternative resolution process are not categorized as a student organization conduct record at the University, but can be referred to as an aggravating factor in assigning outcomes in the event of any future violations.
 - viii. Resolution agreements must be signed by both the affected/reporting individual and responding student organization representative as well as the Student Conduct Authority or Assistant Dean of Investigations. If an agreement is unable to be reached, the matter will be referred to the Student Conduct Authority for further action and adjudication.
 - ix. Resolution agreements reached at the conclusion of the resolution process are final and not subject to any other review or appeal. Individuals participating in the resolution process and mutually agree with the final resolution are waiving the ability to utilize a formal investigation and hearing process through the Student Conduct Authority.
- c. Both the affected/reporting individual and responding student organization representative may be accompanied by an advisor at any meeting during the alternative resolution process.
2. Informal Resolution
- a. A responding Student Organization may elect to resolve an outstanding violation(s) through an informal resolution in lieu of a hearing if deemed appropriate by the Student Conduct Authority and if the student organization representative accepts both responsibility or does not contest responsibility for the alleged violation(s) and assigned outcomes.
 - b. In an informal resolution, because the student organization accepts responsibility, the proceeding will be focused on potential appropriate outcomes.
 - c. Informal resolutions may take place during the information session or scheduled within a reasonable time thereafter.
 - d. Informal resolutions are noted as a finding of responsibility for violation(s) of the Code and are considered a student organization conduct record.

3. Informal Hearing

- a. A responding Student Organization may elect to resolve an outstanding violation(s) through an informal hearing if deemed appropriate by the Student Conduct Authority. Informal hearings are typically utilized when there is not conflicting, complex, or additional information that would be best examined through a formal hearing setting.
- b. Informal hearings may take place as an element of the information session or scheduled within a reasonable time.
- c. The responding student organization representative may provide information including reports, witness statements, communications, or other documentation in the hearing.
- d. A hearing administrator may temporarily adjourn the informal hearing if the administrator determines that further review of clarification is necessary including, but not limited to interviewing the reporting/affected individual or witnesses.
- e. A hearing administrator may utilize information gathered from information sessions, investigation meetings, or other proceedings involving individuals associated with the incident in making a determination on responsibility. If such information is under consideration, a responding student organization representative will be informed of the information and have an opportunity to respond.

4. Formal Hearing

- a. A formal hearing may be heard by a single hearing administrator or Administrative Hearing Panel. For cases that include allegations of sex discrimination or sexual misconduct, if a formal hearing is selected, the hearing will be conducted by a single administrator.
- b. Notice of a formal hearing, including the identity of the hearing administrator or body, will occur at least five business days prior to the hearing. Any objection regarding selected hearing administrator or hearing body must be submitted three business days prior to the start of a hearing.
- c. Formal Hearing Guidelines
 - i. Private hearing. A formal hearing is conducted in private. The affected/reporting individual(s) (if applicable), responding student organization representative, and advisor(s) are allowed to attend the entire portion of the hearing at which information is presented. Admission of any other individual to the hearing is at the discretion of the Student Conduct Authority.
 - ii. Scheduling. Formal hearings are scheduled at the earliest availability of the affected/reporting individual(s) (if applicable), responding student organization representative, person providing information on behalf of the University, and the hearing body. Student availability is determined based on academic class schedules and requirements. Absent exigent circumstances, lack of availability based upon personal matters, employment schedules, or the availability of an advisor are not considered in scheduling a formal hearing. A student or student organization should select as an advisor a person whose schedule reasonably allows attendance at the scheduled date and time for the hearing.

- iii. Witnesses. In a formal hearing, appropriate witnesses identified by the Student Conduct Authority, reporting individual(s), or the responding student organization representative may be invited to the hearing to provide information in support of, or challenging responsibility of the alleged violation(s). Absent extraordinary circumstances, any witnesses must be identified at the information session or by the date otherwise given in a notice of allegations or other communication from the Student Conduct Authority. Witnesses will be invited by the Student Conduct Authority. Formal hearings will be scheduled within a timeframe to allow witnesses reasonable notice to participate, but a proceeding will not be unreasonably delayed or disrupted based on the availability of witnesses. In the case of a formal hearing, the University will make reasonable efforts to secure in-person testimony from law enforcement officers in cases where a student conduct charge results from an incident that was reported to law enforcement, and any University personnel who were involved in investigating a matter. However, sworn affidavits of law enforcement officers and official university reports may be considered by a hearing body in the absence of in-person testimony of the law enforcement officer or appropriate University employee(s), provided that the hearing body reasonably finds that the affidavit or report is otherwise reliable and the responding student has an adequate opportunity to respond to all facts alleged in the affidavit. Other written witness statements will be accepted for review in a formal hearing if the witness does not attend at the discretion of the hearing administrator or body. However, such statements will not be considered as having equal weight as witness information presented in a hearing, and cannot be used as the sole information supporting a finding of responsibility.
- iv. Questions. The hearing administrator or body may pose questions directly to any individual providing information in the hearing. The affected/reporting individual(s) (if applicable), and responding student organization representative may propose questions to be answered by one another, but questions must be directed to the hearing administrator or chair of the hearing body rather than to the individual directly. The hearing administrator or chair will determine whether questions or potential information are appropriate for review as part of the formal hearing at their discretion.
- v. Information.
 - a. Additional information, including, but not limited to, reports, witness statements, communications, or other documentation may also be reviewed in a hearing. Any such documentation that was reasonably available during a University investigation, but which was not provided during the course of the investigation by the student organization representative or other individuals afforded an opportunity

to do so, will not be considered. Any additional information must be submitted to the Student Conduct Authority immediately upon discovery of such information.

- b. Individuals may decline to provide information or answer questions posed in a hearing. However, the hearing body will make a decision on responsibility after considering the information that is shared as a part of the formal hearing.
 - c. Past violations of the responding student organizations, witnesses, or reporting individual(s) will be excluded from the hearing unless deemed relevant by the administrator or chair of the hearing body.
 - d. Past behavior of a responding student organization may be reviewed as an aggravating or mitigating factor for consideration in assigning appropriate outcomes if the responding student organization is found responsible for a violation.
 - e. Affected/reporting individuals and responding student organization representatives may submit an impact statement to the appropriate Student Conduct Authority three business days prior to the formal hearing. Impact statements are considered an element of the hearing record and accessible for review by an affected/reporting individual and responding student organization in the event there is a finding of responsibility. If applicable, the affected/reporting individual and responding student organization representative may review the impact statement and provide a response within a reasonable time and by such method as determined by the Student Conduct Authority.
 - f. Consideration of information for a determination regarding responsibility is limited to that information presented in the formal hearing. Information that is discovered in a separate hearing or proceeding originating from the same reported incident may be introduced in a formal hearing.
- vi. Hearing record. There will be a single record, such as a digital audio recording of all formal hearings. Deliberations will not be recorded. This recording will be the property of the University but will be made available for the affected/reporting individual(s) or responding student organization representatives to review upon request. Any recordings of the hearing without the acknowledgement and permission of involved individuals is prohibited.

5. Outcomes-Only Hearing

- a. The Student Conduct Authority may determine that an outcomes-only hearing is appropriate to resolve a case where a student organization is found at fault in civil court based on a preponderance of the evidence or higher standard.

- b. Outcome-only hearings may take place as an element of the information session or be scheduled within a reasonable time. If a student organization representative does not participate in the hearing, the Student Conduct Authority will issue the appropriate outcomes based on the information available.
 - c. The responding student organization representative may provide information, including an impact statement, for consideration.
6. General Guidelines
- a. Basis for decision(s). The basis for any decision of responsibility in an informal or formal hearing will be whether upon a preponderance of the information, it is more likely than not that a violation or violations of the Code occurred. The burden to demonstrate that this standard has been met rests with the University, and all responding student organizations are considered to be not responsible for a violation until and unless a hearing body makes a finding of responsibility.
 - b. Informal procedural standards. Formal rules of process, procedure, and/or technical rules of evidence such as are applied in criminal or civil court are not used in student organization conduct proceedings.
 - c. Personal Health and Safety Accommodations. The Student Conduct Authority may accommodate individuals with concerns for their personal health or safety during a proceeding or hearing by providing separate facilities or physical dividers, and/or by permitting participation by video conference or other viable means as determined by the Student Conduct Authority as appropriate and do not infringe upon fundamental due process.
 - d. Accommodations for qualified individuals with a disability. Any student with a qualified disabling condition may work with the Student Disability Resource Center (SDRC) to request a reasonable accommodation in order to equally participate in the student or student organization conduct process. All requests for reasonable accommodations must be made either through the Office of Student Rights and Responsibilities or the SDRC. All accommodation requests must be made in a timely manner and coordinated with the student's appropriate disability specialist within the SDRC. Non-students may make a reasonable request for accommodation with the Student Conduct Authority.
 - e. Decision in absentia. If an affected/reporting individual, responding student organization representative, or witness does not appear for a proceeding or hearing after notice, the Student Conduct Authority or hearing body may postpone the proceeding or review any information in support of or challenging the violations in the individual's absence and determine a finding regarding responsibility and any related outcomes based upon the available information.
 - f. Holds. The Student Conduct Authority may place a hold on the privileges of recognition of any student organization who fails to resolve allegations of a violation(s) of the Code in a timely manner.
 - g. Any question of application of or objection to procedural standards, authority, scope or other provisions of the Code must be referred to the Student Conduct Authority at least 3 days prior to a conduct hearing.

- h. A hearing body or the Student Conduct Authority may impose other reasonable procedural requirements for the orderly administration of student conduct proceedings, provided that such requirements are not inconsistent with this Code and do not infringe upon a student organization's procedural due process rights.
 - i. Joint hearing. In cases involving more than one responding student organization, whether in a formal or informal hearing, the hearing body may permit the hearing concerning each student organization to be conducted either separately or jointly.
- G. **Outcomes.** Outcomes are interim action(s) or final status or education assignments that alone or in any combination are assigned to a student organization as an interim health or safety measure or as a final outcome at the conclusion of a resolution process.
1. Interim Health and Safety Actions. Interim actions may be initiated to protect the health or safety of individuals involved in an incident or investigation or in circumstances when an organization is alleged to have engaged in conduct that poses a substantial risk to the operation of the University. IHSA's may be issued in conjunction with, or pending the outcome of, an investigative or adjudicative process of the *Student Conduct Code*, *Student Organization Conduct Code*, or *Sex Discrimination and Sexual Misconduct* policy.
 - a. Interim action(s) will be communicated in writing consistent with the notice provisions of this Code.
 - b. Interim action(s) are temporary measures applied through the duration of an investigation and/or resolution process and do not replace a resolution process as outlined in this Code.
 - c. A student organization may request a review of an interim action in writing to the Dean of Students. The scope of the request is limited to whether the interim action(s) should remain in place, based on the information available. The responding student organization in an IHSA is afforded an opportunity to respond to the allegations or information presented by the University as the basis for the IHSA. The Dean of Students will schedule a review meeting with the requesting student organization representative within three business days of receiving the written request. The requesting student organization may provide information including reports, witness statements, communications, or other documentation in the meeting. When applicable, an affected/reporting individual may provide information to the Dean of Students for purposes of this review. Interim actions may be affirmed, modified, or lifted as a result of a requested review. The Dean of Students will communicate the final decision in writing within one business day of the review meeting.
 - d. Interim Action(s) may include any actions deemed appropriate to mitigate the threat to health, safety, or welfare of the University community or individuals involved in an incident, ranging from interim suspension to restrictions on participation in university-sponsored programs or activities or presence on campus.
 2. Status Outcomes

The outcomes listed below are not intended to serve as an exhaustive list of all outcomes the University may be able to utilize regarding a given Student Organization conduct concern.

- a. Reprimand. A notice in writing to the student organization that the group is violating or has violated University expectations for behavior and that further violations may result in more severe disciplinary action.
 - b. Disciplinary Probation. This status is assigned to a student organization for a specified period of time. While on this status, any further violations may result in suspension or loss of recognition from the University. Other restrictions that may be placed upon a student organization on disciplinary probation may include, but are not limited to the following:
 - i. Participation in University or student activities,
 - ii. Representation of the University in leadership positions or eligibility for awards or honors,
 - iii. Use or entrance into University facilities or campus areas,
 - iv. Contact with any specified individual(s), and/or
 - v. Student Organization events under the auspices of the Student Organization such as organization social events and tailgates.
 - c. Suspension of recognition. Suspension of recognition with the University after a specific date and for a specified period. Through the duration of the suspension period the student organization will be prohibited from utilizing the support and services afforded a recognized student organization and will be restricted from the following:
 - vi. Participation in University or student activities,
 - vii. Representation of the University in leadership positions or eligibility for awards or honors,
 - viii. Use or entrance into University facilities or campus areas,
 - ix. Student organization events under the auspices of the student organization such as organization social events, and tailgates.

To regain recognition at the conclusion of the suspension period, a student organization must demonstrate compliance with any terms of the suspension, and meet requirements of any applicable recognition processes(es) through Student Activities and fraternity and sorority life governing councils (if applicable).
 - d. Loss of recognition. Loss of recognition from the University after a specific date and for an indefinite period of time. During which time, the student organization will be prohibited from utilizing the support and services afforded a recognized student organization and privileges as outlined under the “suspension of recognition” section. The University may set a designated timeframe during which the organization will not be eligible to apply for re-recognition. This timeframe may be extended if there are further violations of University policy by the student organization or student organization members.
3. Education Outcomes
- a. Service Hours. Completion of service under the supervision of a University department or outside agency.
 - b. Discretionary outcomes. Work assignments, essays, presentations, research projects, conduct contracts, or other discretionary assignments.
4. Administrative Directive Outcomes
- a. Restitution. Compensation for loss, damage, or injury to University property. This may take the form of appropriate service, monetary, or material replacement.

- b. No contact directive/extension of existing no contact directive. A no contact directive is an official University directive that serves as notice to an individual or individual(s) that they must not have physical contact with or proximity to, or direct verbal, electronic, written, and/or indirect communication intentionally made through another individual with an identified individual for a specified period of time. This may be a new directive, extension of an existing directive, or include altered or additional parameters or instructions to an existing directive. No contact directives may only be removed prior to the specified period of time at the discretion of the Student Conduct Authority and at the written request of all involved individuals.
 - c. Loss of privilege. Denial of any specified privilege for a specified period of time.
 - d. Behavioral Plan. This is a directive to the student organization from the Office of Student Rights and Responsibilities and/or in consultation with another appropriate office (including, but not limited to Student Activities, Fraternity and Sorority Life, Housing, Title IX, etc.) which outlines expected behaviors.
5. Alternative Resolution Agreement Outcomes
- a. Any individual or combination of outcomes listed in the education outcomes section of this policy.
 - b. Administrative directive outcomes including, but limited to restitution, no contact directive or extension of existing no contact directive, loss of privilege and behavior plan as defined in the administrative directives outcomes section of this policy.
 - c. Voluntary membership reviews or cease and desist of student organization activities to determine a strategic plan for the future of the student organization.

H. Appeal Procedures

1. Both an affected/reporting student (if applicable) and a responding student organization are afforded a single opportunity to appeal decisions and/or any outcomes issued by a hearing body within five business days of the date of the written decision and outcomes. Only affected/reporting individuals who meet the definition of a student are eligible to submit an appeal request with the exception of cases of sex discrimination or sexual misconduct in which an affected/reporting individual may submit an appeal regardless of student status. Any interim actions will remain in effect at the discretion of the Student Conduct Authority, however any outcome(s) resulting from the original hearing decision will be held in abeyance pending the conclusion of the appeal process. An affected/reporting individual (when applicable) and a responding student organization will be notified of an appeal submission by the other, given the opportunity to review the submitted appeal request, and given the opportunity to submit a response.
2. Required Format. All appeal requests must be in writing, identify the basis or bases for appeal, and include any supporting documentation the appealing individual or student organization wishes to be considered.
3. Scope of Review. Deference is given to the original hearing body's findings of fact and decision on responsibility and/or any outcomes; therefore, the burden is on the individual or Student Organization filing an appeal request to sufficiently demonstrate cause to alter the decision of the hearing body or any outcomes. An appeal review will generally be limited to a review of the record of the hearing and supporting documents for one or more of the bases of appeal listed below, provided however, that under extraordinary circumstances the appeal administrator may request additional information or clarification from the University, investigator(s), hearing body, Student

Conduct Authority, reporting individual, responding student organization, or witnesses for purposes of this review.

4. Appellate Administrator(s). The Vice President designates University administrators to facilitate policies and procedural standards as outlined in this Code, including appellate review. All appellate reviews are considered recommendations for review and action for the Vice President for Student Affairs' final agency action on behalf of Florida State University.
 - a. Decisions of the Administrative Hearing Panel, Student Conduct Board, or hearing administrators appointed by the Office of Student Rights and Responsibilities may be appealed to the Dean of Students.
 - b. Decisions of the Dean of Students may be appealed to the Vice President.
5. Bases for Appeal. Appeal reviews are not a "re-hearing" of a student organization conduct matter, rather a review of process and submitted information to ensure stated procedural standards were followed. Appeal considerations are limited to one or more of the following bases:
 - a. **Process Review.** That the proceeding was not conducted in accordance with established procedural standards or with bias or prejudice on the part of the hearing body. Such procedural errors must have substantially affected the outcome of the hearing.
 - b. **Information Review.** That the information presented in a proceeding does not support the finding of the hearing body that a violation of Code occurred.
 - c. **Outcome Review.** That the outcomes are extraordinarily disproportionate given the nature of the violations and any aggravating or mitigating circumstances presented.
 - d. **New Information.** That new information exists that was not known to the individual or student organization appealing and could not reasonably have been known or discovered at the time of the original proceeding, and which would have substantially affected the outcome of the proceeding. This does not include statements from an affected/reporting individual or responding student organization representative who did not appear for a proceeding or hearing.
6. Appeal Decision. An appeal administrator reviewing an appeal request may make one of the following recommendations for final agency action:
 - a. **Affirm.** The administrator may affirm the decision and/or outcomes of the original hearing body.
 - b. **Alter outcome.** The administrator may alter the outcome(s) issued by the original hearing body. Alteration in the outcome may include reducing or increasing severity of outcome(s) or requirements.
 - c. **New hearing.** The administrator may determine a new hearing by a different hearing body is warranted to correct procedural irregularity or to consider new information. An individual or student organization may appeal any decision by a hearing body assigned to adjudicate a new hearing.
 - d. **Remand.** The administrator may direct the original hearing body to review their original decision subject to any instructions from the appeal administrator. The hearing body may affirm its original decision or render a new decision consistent with those instructions. An individual or student organization may appeal a decision made on remand; however if a hearing body affirms its original decision,

an individual or student organization may not appeal the decision on the same grounds as in the previous appeal.

7. Final Agency Action. The appeal administrator will forward findings and recommendations to the Vice President for Student Affairs for review. The Vice President's review and decision is considered the final decision of the University and will be communicated in writing within fifteen business days to the responding Student Organization and if applicable, simultaneously to the affected/reporting individual. This timeline may be extended if necessary in consideration of the record on appeal. Final agency action decisions are only appealable by writ of certiorari to the Second Judicial Circuit in and for Leon County, Florida.

I. Record Keeping Practices.

1. File Maintenance. Records of all Student Organization conduct cases will be maintained in the Office of Student Rights and Responsibilities indefinitely.
2. Release of Records. The release of Student Organization conduct records will be governed by applicable federal and state laws regarding the privacy of education records. General information regarding the outcome of Student Organization conduct proceedings (without identifying information) may be released to the public.
3. Access to and Copies of Records. A student organization representative is permitted access and review of information in the conduct file for the purpose of reviewing information that is subject to consideration as part of a student organization conduct proceeding.
4. Transcriptions of hearings. Any student organization representative or a student desiring a transcript of a recorded hearing that is a part of their education record should Contact the Office of the General Counsel, which will arrange for the preparation of the transcript by a court reporting service. The court reporting service will provide the transcript to the Office of the General Counsel, which will perform a confidentiality review of the transcript and redact any confidential or exempt information pursuant to state or federal law. The requester shall bear the cost of the transcript preparation and confidentiality review.
